star wars shroud of the puppet master

****Long authors note ahead Important to the story****

****A/N ok guys belgrath here with the first of my 2 new stories it's a star wars one. This one will completely redo the star wars saga especially the prequel movies. It will show and will be going off the theory that's become quite popular and famous and it might even be true.****

****I'm a firm believer what if jar jar binks was a force user of mind arts? What if his idiocy that we all hate in the movies was an act? What if Not only is he a force user but a sith lord of immense power and age in cooperation with Sidious and is the true puppet master ? that's what the story will explore****

****This is NOT a parody or crack fic but a serious one.****

****Now all believers of darth jar jar have their own slight variations on him mine are****

****1 he is immensely old but is able to keep his youth ect through life draining force techniques****

****2 he taught these same techniques to darth plagues ****

****3 his regular appearance is not his true appearance I will try and use a picture this story to show his true appearance if I can find it****

****If you need a comparison he is the opposite of yoda the seemingly bumbling idiot who turns out to be the wise master wizard ****

****A more detailed explanation on darth jar jar can be found at reddit . com r darth jar jar ****

****Or at darth jar jar . com ****

****The next chapter of Harry potter and the witches of the mist is about halfway done so expect that soon****

****Now without further A/ns I present star wars shroud of the puppet master!****
